Behavioral Guidelines for Extension Educators and Volunteers Working with 4-H Youth Development Programs

Oklahoma families and other youth service programs trust in the Oklahoma Cooperative Extension Service to provide educational programs in a safe environment for participating youth. Adults who assume Educator and volunteer roles within Extension have the opportunity for a rewarding experience. The opportunity to work with youth is a privileged position of trust that should be held only by those who are willing to demonstrate behaviors that fulfill the trust. The following behavioral expectations have been established for persons serving in Educator and volunteer roles within Oklahoma Cooperative Extension Service programs.

1. Work cooperatively with youth, family, volunteers, Oklahoma Cooperative Extension Service faculty and staff, and others in a courteous, respectful manner demonstrating behaviors appropriate for a positive role model for youth.

2. Represent the Cooperative Extension Service and the 4-H program with pride and dignity, behave appropriately, exhibit good sportsmanship, and demonstrate reasonable conflict management skills.

3. Respect, adhere to, and enforce the rules, policies and guidelines established by the Oklahoma Cooperative Extension Service including all state laws related to child abuse and substance abuse.

4. Recognize that verbal or physical abuse or committing criminal acts are grounds for termination as a volunteer or 4-H Youth Development Educator.

5. Comply with equal opportunity and anti-discrimination laws. Make all reasonable efforts to assure that 4-H youth programs are accessible to youth without regard to race, color, national origin, sex, religion, age or disability.

6. Treat animals humanely and encourage 4-H youth and adults to provide appropriate and ethical animal care.

7. Under no circumstances, allow or consume alcohol or illegal drugs at 4-H events or activities. Understand that the use of or being under the influence of alcohol or illegal drugs while in the presence of 4-H members and/or at 4-H programs or activities is grounds for termination as a volunteer or 4-H Youth Development Educator.

8. The use of tobacco in the presence of 4-H members and/or during 4-H events is strongly discouraged, as the use of these products by minors is illegal.

9. Operate machinery, vehicles and other equipment in a safe and responsible manner when working with youth and adults participating in 4-H programs.

The Tulsa County Free Fair began in 1903 at the Western Association baseball park at Archer and Boston. With enactment of the Oklahoma Free Fair Act in 1915, a 15-acre tract of land north of Archer and Lewis was purchased to provide more suitable grounds. In 1923, thanks to a land donation from J.E. Crosbie, the fair was moved to a portion of the present Expo Square between 15th and 21st Streets. Passage of a major bond issue of $500,000 provided for the construction of the Pavilion in 1931. The fair board acquired land adjacent to the gift acreage in later years, and the "state fair" was born.
